

ARIZONA 24/7 PRAYER

– United Prayer Strategy: January 2025 –

Intro: How to Use this Prayer Guide

We want to take a moment to say “Thank You” for signing up to pray for our cities & our state. Your prayers *truly matter* and when we come together in unity, God begins to do what *only He can do!*

We recognize there’s a good amount to pray through in each guide. Please don’t feel any pressure to pray through this entire guide in one hour. We really want this prayer time to rejuvenate your soul for prayer and not just a box to check for your prayer time you signed up for.

Also, this resource is not meant to limit you or to overwhelm you; rather, it is meant to *serve you* in whatever way *most benefits* your hour of prayer and the way you best engage with God!

Allow the Holy Spirit to lead you in the way that *He* desires and to engage your heart in praying what is on *His* heart. You may only pray through one or a few areas of this guide, or you may be led in creative ways by Him – the important thing is that we connect with His heart, that we pray strategically in unity (with intentionality and agreement), and that we pray by the leading of His Spirit. *Thank you for your faith-filled prayers & partnership in the purposes of God!*
